

UNIFORM

Bulli High School's uniform and uniform guidelines have been determined in consultation with the school's learning community. Our expectation is that all students wear the correct school uniform every day.

Our school uniform not only looks good but assists in the development and maintenance of the school tone and positive student conduct at, and to and from, school, and promotes Bulli High School's identity and place within the wider community. Our students wear the school uniform with pride and we thank parents/carers for their support.

The following points help parents/carers to continue to support the school to ensure students are following the school uniform guidelines.

- All shirts, shorts, jackets, tunic, jumpers and pants are to be purchased from the school uniform shop
- Brand logos are not acceptable on any item
- Plain white socks with no logos or coloured items
- FULLY ENCLOSED BLACK shoes (leather or leather type shoes are recommended for safety reasons)
No other coloured trims or laces
- NO tracksuit pants
- PE/Sport uniform is to be worn for PE lessons and on Wednesday for sport

Bulli High School's P & C Association operates a Uniform Shop at the school to provide the school uniform needs for the students. All profits made by the Uniform Shop are directed back to the school via the P & C for the purchase of equipment and support of activities for students.

It is open throughout the school year on:

Tuesdays 1.15pm – 3.30pm

Thursdays 1.15pm – 3.30pm

Any student who is out of uniform must report, before school with an explanation note, to the Head Teacher in charge of their Year group's uniform. Financial assistance is available to families experiencing financial difficulties. Student Assistance forms are available from the Administration office.
